Zee: Wouldn't it be great to have an ODAT for RitL if there is any interest in it. She would like to start a thread in the RitL group to see if people are interested and will post things there. No objections to starting this project were brought; Sherrie and Mags volunteered to help.

### **Aarkey: Motion to research medallions for RitL**

Revisiting researching purchasing medallions for RitL now that we have more of a prudent reserve.

Mita has a connection for getting patches less expensive. He has also created a vector file from when he ordered stickers last year so that may reduce set up costs.

Stormy has an original coin that was used in the beginning; if we want to consider those. It is not a RitL specific coin; pictured below.

Available online at: <http://www.peopleschoicerecovery.com>.

[Aluminum coin](#): \$.99

[Brass coin](#): \$1.99

[Enamel coin](#): \$19.99

Aarkey advised that 2016 will be his last year of General Services service work other than website work etc. as it is time for him to rotate out of service.

April 9<sup>th</sup> @ 1pm for next General Svcs

Closed the meeting with the "We" version of the Serenity Prayer.
