

Recovery in the Lifestyle

Steering Committee Meeting Minutes February 01, 2009

02.01.09

Attending: Aarkey, Oz, Mistress Stormy

Old Business:

A) Committee discussed the need for personal stories from members for use on the web site.

New Business:

1) The treasury is at \$147.

2) For web site hosting & domain costs, D* was paid \$21 on 8/21 for hosting and .com domain renewal. D* has agreed to transfer ownership of the domain to DomByDefault. Committee voted and approved renewing the .com domain for another year. Voted to add Google tracking to the domain to help better serve the community and find out what areas might best be grown.

3) Committee accepted resignation of sweetmeira from the committee. Johanna was nominated and approved as the new 4th for the committee. The committee agreed to open an alternate position for the committee – who would be able to attend committee meetings and have a voice on RitL matters, but not a vote on the committee. The members are to seek an alternate from our membership from March 1st to March 31st. In the interim, sweetmeira agreed to serve as an alternate on the committee until that position was filled.

4) The 3rd Sunday meeting has been moved to 5PM at Club 525. And will be updated on the web site and announced at meetings.

5) The group discussed and approved adding the 12 steps & 12 traditions in .pdf format to the website for download.

6) The committee agreed to add a button on the new web site design to “Request a meeting at your event” – for use with Lifestyle conferences & events. It was also agreed to add a button for “Volunteer Outreach” to find members willing and able to take meetings to conferences & events. Also it was agreed to add links to Organizations & Conferences that support RitL – all of these were to be listed alphabetically.

7) Mistress Stormy agreed to write a “History of the Fellowship” for the website.

8) The Steering Committee agreed to have a phone meeting on April 5th @ 11AM. Meeting closed.
