Steering Committee Conference Call Minutes
December 13, 2009

12.13.09

Phone Meeting: Aarkey, Johanna, Oz

Treasury: \$122

Old Business:

1) Postcards: Aarkey has found business cards through Stacey at 'CompleteMediaSolutions.NET' – she has quoted him a price of \$76.67 for 5,000 cards (4x6, 4 color, 2 sided, 12pt cardstock.) The committee has decided to order them. They will be setup with a basic overview message including the preamble for RitL.

New Business:

1) Aarkey touched base with the contact person in Chicago (and tried to touch base with a contact person in Atlanta) regarding this upcoming meeting to see if they had any input, questions or concerns that could be brought to the committee. The CHI person said that their attendance was small (2 or 3 people) but that the last meeting had a newcomer who seemed to be exactly the kind of person whom having RitL can be a huge help. The Atlanta contact encouraged Aarkey to contact another member in their community, he did so – but had not heard back as of today.

2) The web site tracking has shown that we're having large numbers of visitors from 6 main areas: New York City, South-East Florida, Los Angeles, Atlanta, San Francisco & Chicago. Aarkey suggested when we get the postcards setup that we send them out to all recovery club houses in those areas. Motion passed. Aarkey will get the clubhouse addresses for NYC. Johanna for SE FL, Oz for CA. We will ask the people in CHI & ATL to get the addresses for clubs in their local areas.

3) We are going to ask the people in the ATL & CHI areas if they want to have a representative on the RitL steering committee.

4) The next steering meeting will be held on March 7, 2010 via phone conference @12 PM (*moved back 1 hour from our regular time.*)

Meeting closed.
